

REMEMBER TO REGISTER TO VOTE

The deadline to register to vote is April 14, 2011 in order to be eligible to vote in the May 14, 2011 Board of Trustee election. The Election Administrator, Melinda Bell, advises that all registered voters should be in possession of a colored card issued from the county in which you reside in. If you are unable to locate your card, please contact the voter registrar in either Nacogdoches or Rusk County, whichever county you reside in. Post card voter registration applications are available in the Superintendent's Secretary office at Garrison ISD, and at either county courthouse. Due to the new Help American Vote Act, it is very important for voters to bring either their voter registration card or proper identification to the polling places. For additional information, please contact the Garrison ISD Superintendent's Secretary at 936-347-7000.
