

Garrison High School Varsity Cheerleaders 2008 Summer Cheer Camp

On June 16-19, 2008 the Varsity Squad traveled to Texas A&M for an UCA camp. Not only did the squad return with so much material learned, they also bonded, and made memories that will last a life time!

WOW!...that's a lot of cheerleaders!

Together the girls made an oath to the squad, each other, and themselves. They wore the strings that they bonded with on their wrists as a constant reminder.

One of the squad's task was to create a type of machine drawn from a hat. They had to demonstrate their machine for other squads to guess. Can you tell what they are?...a record player of course!

Did someone say only one more day?...
