# ETREYS

(East Texas Rural Electric Youth Seminar)

- History:** ETREYS leadership camp started in 1987. Carl Morgan, GM at Jasper-Newton Electric at the time, presented the idea to the Group 1 Managers. All approved and ETREYS was born.
- Co-ops:** Nine cooperatives sponsor the camp: Bowie Cass, Cherokee County, Deep East, Houston County, Jasper-Newton, Panola Harrison, Rusk County, Upshur Rural & Wood County.
- Delegates:** ETREYS is for high school students who have completed their sophomore or junior year as of June. We do not require the students to live on our lines, but member's kids are first priority.

ETREYS is held at East Texas Baptist University in Marshall & gives students a look at how campus life will be. When the students arrive, they are all the same. No one is more popular, smarter, etc. Throughout the week they meet students from other area schools and become friends for a lifetime (*in 2004, RCEC had a student from Carthage & a student from Henderson that met at ETREYS and are now married with children*).

While at ETREYS students participate in workshops, seminars and peer group activities that range from leadership development to pure entertainment. Speakers from all walks of life including nationally-known personalities, athletes and professional leaders take part in the daily sessions.

ETREYS is an action packed camp that teaches the importance of leadership roles in the community, at school, work, etc. Students learn you can achieve more when you work together as a team and this is taught by speakers in group activities. Speakers share their life experiences in a fun and upbeat manner.
