November 2017

Dear Counselor,

In 2017, the Texas Society of Professional Engineers (TSPE) and the Texas Engineering Foundation (TEF) will award approximately \$100,000 in scholarships to engineering students attending an ABET – accredited university. We would like **your** students to be considered for these scholarships. We hope that you will encourage any potential students who might be considering a career in engineering to apply and assist them in submitting an application to their local TSPE chapter scholarship coordinator.

Enclosed is a list of the TSPE chapter scholarship coordinators and the 2017-2018 application form. This form may also be downloaded from the TSPE website (www.tspe.org – *Programs/Scholarships*). PLEASE NOTE: Your students should contact their local TSPE chapter Scholarship Coordinator to determine if there are specific requirements for applying for that chapter's scholarship. To determine your district's chapter affiliation, please use the included school district to TSPE chapter reference list. A list of Scholarship Coordinators is also included.

A list of Texas universities with ABET- accredited programs is available at www.abet.org. Check with your local TSPE chapter coordinator for out-of-state school eligibility.

Submissions must be postmarked by or submitted to your local chapter scholarship coordinator by January 19, 2018. Chapter award dates may vary but scholarship awardees should be notified by the end of March 2018.

For information on other engineering scholarships and links to recommended web sites, please visit www.tspe.org. For more information on the TSPE scholarships, contact your coordinator or e-mail scholarships@tspe.org.

Sincerely,
