How to Add or Update an E-Mail Address

The parent must provide a valid e-mail address if he wants to receive alert notices by e-mail, edit existing student registration information, or enroll a new student into the district. His current e-mail address is displayed under **Email Address** if he previously entered it. The parent can add or update his e-mail address at any time.

1. Next to **Email Address**, click **Change**. The **Email Address** field is displayed.

Email Address
(your email address is important if you wish to receive alerts, to edit existing student registration information or to enroll a new student into the district)
 Email Address:

2. In the **Email Address** field, the parent types a current e-mail address and clicks **Save**.
 - If the data was entered incorrectly, a red message is displayed to the right of the field. The e-mail address must be in a valid format (e.g., *someone@example.net*) to continue.
 - If the data was entered correctly, the new e-mail address is displayed under **Email Address**.
3. The parent can click **Cancel** not to change the e-mail address.

How to Change a Password

The parent can change his password any time. For security purposes, it is recommended that the password be changed periodically.

1. Next to **Password**, click **Change**. The **Old Password**, **New Password**, and **Confirm Password** fields are displayed.

The screenshot shows a web form titled "Password" with the email address "Annette.Bear@escz.net" at the top. Below the title, a note states: "The new password must be between 6 and 9 characters and must contain at least 3 of the following character types: uppercase, lowercase, numeric, punctuation." There are three input fields labeled "Old Password:", "New Password:", and "Confirm Password:". Below these fields are "Save" and "Cancel" buttons. At the bottom of the form, the text "Hint Question" is visible.

2. In the **Old Password** field, the parent enters his current password.
3. In the **New Password** field, the parent enters a new password.
4. In the **Confirm Password** field, the parent retypes his new password exactly as it was typed above.
5. Click **Save**.
 - If the data was entered incorrectly, a red message is displayed to the right of each field that has incorrect data. The information must be provided to change the password.
 - If the data was entered correctly, the new password is saved. The next time the parent logs on to ^{tx}Connect, he must use the new password.
6. The parent can click **Cancel** not to change the password.

How to Change a Hint Question/Answer

The hint question/answer is used to verify the parent's identity if he forgets his password. The parent's current hint question and answer are displayed under **Hint Question**. He can change the question, the answer, or both.

1. Next to **Hint Question**, click **Change**. The **Question** and **Answer** fields are displayed.

The screenshot shows a web form titled "Hint Question" with the label "Password:" at the top left. The form contains a dropdown menu for the question, currently showing "What was the name of your first pet?". Below the dropdown is an input field for the answer, containing the text "Sandy". There are "Save" and "Cancel" buttons. At the bottom of the form, the text "Students" and a link "Edit Settings" are visible.

2. The parent makes changes to the question and/or answer and clicks **Save**.

- If the data was entered incorrectly, a red message is displayed to the right of each field that has incorrect data. The information must be provided to change the hint question/answer.
- If the data was entered correctly, the new hint question is displayed under **Hint Question**.

3. The parent can click **Cancel** not to change the question and answer.

How to Add or Delete a Student

If the parent wants to add a student to his ^{tx}Connect account, he must have a valid student portal ID for the student issued by the student's campus.

1. Next to **Students**, click **Change**. The **Add New Student - Student Portal ID** and **Birth Date** fields are displayed.

The screenshot shows a web interface titled "Students". On the left is a table with columns: Delete, Student Name, Associated Users, and Last Login. On the right is a form titled "Add New Student" with fields for "Student Portal ID:" and "Birth Date:" (with a date picker icon). Below the form is an "Add" button. At the bottom of the table area are "Save" and "Cancel" buttons.

Delete	Student Name	Associated Users	Last Login
<input type="checkbox"/>	GAGE D. AAMODT	Jshelton Mshelton Dshelton	2/7/11 2:21 PM 2/8/11 8:20 AM 2/2/11 3:40 PM
<input type="checkbox"/>	STEVEN A. DARROW	Mshelton	2/8/11 8:20 AM
<input type="checkbox"/>	ELIZABETH A. PARKER	Mshelton Dshelton	2/8/11 8:20 AM 2/2/11 3:40 PM
<input type="checkbox"/>	JESSICA S. VIALE	Mshelton	2/8/11 8:20 AM
<input type="checkbox"/>	TYLER J. WIELAND	Mshelton	2/8/11 8:20 AM

2. Under **Add New Student** in the **Student Portal ID** field, the parent types his student's portal ID.
3. In the **Birth Date** field, the parent types the student's complete birth date in the MM/DD/YYYY format (e.g., 01/19/1998). The date entered here must match the birth date in the student's record at the campus.
4. Click **Add**. The student's name is displayed in the **Students** grid.
5. Click **Save** to save the changes.

If the student was successfully added to the account, his name appears in the **Students** list on the left side of every page. The students are listed in alphabetical order.

6. To delete a student from an account, click next to the student to delete. Click **Save** to save the changes.

If the student was successfully deleted from the account, his name no longer appears in the **Students** list on the left side of every page.

7. Click **Cancel** not to add or delete a student.
