Reading

1. Read How to Raise a Raisin. There are two ways to read. If you have your reading book from school it is on page 310. If you do not have your reading book from school you will go to the HMH website and log in with your username and password. I have put a link to the website below. You will click the tab that says assignments. Click on the assignment that says [MyBook: Prepare to Read: How to Raise a Raisin?](#). It will take you to a digital copy of the story.
 - Example login: **Username: weeksj** (everyone's username is lastname1st initial)
Password: bulldogs (Everyone's password is bulldogs)

3rd Grade Distance Learning Week 1

Science and Social Studies

1. Please continue with volcano projects. Students can dig up clay from the yard and shape them. I would like for them to upload pictures of the volcano on dojo. You can also video them erupting it. You put a little baking soda in the cylinder of the volcano. In a separate cup, mix vinegar, a drop of red food coloring and a drop of dawn dish soap. (any dish soap will do) Stir. Slowly pour mixture into cylinder and watch the eruption. You can upload the video to dojo.
