WELCOME

ALL ABOUT ME

I am so excited to meet my Pre-K kiddos for this school year! We are going to have a great time and learn so much even with all of the uncertainties this year brings. Kids are my passion and I've had the privilege of teaching elementary for 10 years. I have 4 children of my own. My husband is a Garrison native, Blake Phillips. I am also a graduate student attending the SFA counseling program. I look forward to graduating with my master's in May 2021!
