Hi Bulldog Families! I'm Jan Woodard and this is my 26th year working at Garrison I.S.D. as our dyslexia specialist. I have a bachelor's degree from the University of North Texas and obtained my teaching certification through Stephen F. Austin State University. My original dyslexia training was from Texas Scottish Rite Hospital and I continue to update my training through both the Region 7 and Region 10 service centers. This includes attending the annual State Summer Dyslexia Institute yearly. In my free time, I spend time with my mom or indulge in my hobbies of reading, coloring, and working on my family history. I'm looking forward to another great year at GISD.
