

Meet the Teacher

Nice To Meet You!

My name is Mrs. Gayler and I will be your kindergarten teacher this year! I am excited to help you learn and grow into great friends, super readers, math rockstars, and independent lifelong learners!

Growing Up

I was born and raised in Nacogdoches. I returned after graduating from Texas A&M to make a home with my husband Murphey. We have been blessed with 2 sons (Mason and Henry).
